

Ukrainian woman offers seeds to Russian soldiers so 'sunflowers grow when they die' - video

A woman is being hailed on social media after she confronted a heavily armed Russian soldier and offered him sunflower seeds - so that flowers would grow if he died there on Ukraine's soil. 'You're occupants, you're fascists,' she shouts, standing about a metre from the soldier.

'Take these seeds and put them in your pockets so at least sunflowers will grow when you all lie down here'
