TRMNL

Trusted by
calm creators

“

Loving it!

The perfect weather / calendar for the fridge.

▯ **Zack Leffler**

“

Awesome product

The TRMNL is a daily driver for me. I have already created one plug-in or recipe and plan to do a lot more. I think it's an amazing project and I congratulate you for creating it.

▯ **Miguel David**

“

So far so good

Great for sharing family information in a shared space.

▯ **Wayne Hartman**

“

Great device

Love the support.

▯ **Rick van Soes**
